

Liebe Mitglieder des AK Geomorphologie,

hier schicke ich Ihnen die Ausschreibung der ESF zu 6 TOPO-EUROPE Programmen. Es wäre ausgezeichnet, wenn sich geomorphologische Arbeitsgruppen an diesem Programm beteiligen würden.

Mit besten Grüßen

Richard Dikau

Dear EUROCORES contacts in the ESF Standing Committees,

We are pleased to announce that the ESF has published the Calls for Outline Proposals for the 6 new EUROCORES Programmes. Attached you will find the 6 Calls including the list of contact points in the participating organisations.

Below you will find the links to individual Programme Websites where the Call for Proposals as well as other supporting documents can be found.

In order to inform the scientific community as widely as possible, we would like to ask you to put these Calls on the appropriate part of the website of your organisation, and to distribute them within your relevant scientific communities through your organisations normal means of distribution.
